Thank you for your interest in *Live Live*!

Live Live is a public, noncommercial radio show (broadcasting locally and over the web) and website dedicated to providing musicians with a forum in which they can promote their art. Listed below are the services that we provide:

- **Radio Airplay** - we like to focus on local, unsigned, and independent artists, as well as music that large commercial stations won't play
- **Radio Advertising** - Press releases, tour dates, announcements, etc. to be broadcast on the air
- **On-Air Interviews** - recorded and posted on our website in .mp3 format
- **On-Air Performances** - live performances, recorded and posted on our website in .mp3 format
- **On-Site Interviews** - Replayed on the air, and posted on our website in .mp3 format
- **Web Publicity** - Promotional materials, links, and features on our website
- **Reviews** - Comprehensive and thoughtful reviews of concert performances posted on our website
- **Photos** - Photographs of live performances, posted on our website
- **Ticket Giveaways** - Live, on-air ticket giveaways to listeners for selected concerts

For more information on *Live Live*, we encourage you to read our Buzzsheet and visit our website: <http://www.livelive.org>. And of course, feel free to contact us with any questions or comments that you might have.
